

Reflection House Board of Directors Recruitment Announcement

Reflection House is currently seeking passionate and committed individuals to join our Board of Directors. As a nonprofit organization dedicated to providing safe, supportive housing for women in recovery from substance use disorder, we are looking for leaders who share our commitment to recovery, dignity, and community.

A key requirement for board service is lived experience with substance use disorder. This may include individuals in recovery themselves, those who have supported a loved one through substance use disorder, or professionals who have worked closely with individuals in recovery. We believe that these perspectives are essential to guiding our mission and ensuring our programs remain compassionate, effective, and responsive to the needs of the women we serve.

Board Member Responsibilities Include:

- Attending and actively participating in **monthly board meetings**
- Serving on **at least one board committee**
- Making a **personal annual financial contribution** that is meaningful to you
- Assisting with **fundraising and community outreach**
- Upholding the mission and values of Reflection House
- Maintaining **strict confidentiality** regarding client information and organizational matters
- Acting as an **ambassador for Reflection House** in the community
- Supporting the long-term growth and sustainability of the organization

Board Term:

Board members serve a **three-year term**, with the opportunity to make a meaningful impact on the future of Reflection House and the women we serve.

Based on our recent review of board skills, connections and lived experiences among current Board members, we are seeking new members who will help broaden our current board. For this reason, we encourage applications from individuals with **expertise in areas including but not limited to: accounting, risk management, and marketing** to apply, as these skills help strengthen the organization's governance, sustainability, and community outreach.

If you are passionate about recovery, advocacy, and supporting women on their journey to healing, we would love to hear from you.

Application Deadline: May 1, 2026
